Dear Ms. Stewart:

Congratulations! Nortex Modular Space has been selected as a winner of the 2009 Dallas 100™ Entrepreneur Awards. We are proud to announce that you are among Dallas' fastest growing, most dynamic privately held companies.

To acknowledge your incredible efforts, the Caruth Institute for Entrepreneurship at the Cox School of Business will host two events in your honor. On **Thursday, October 1, 2009**, there will be a reception at the James M. Collins Executive Education Center, Southern Methodist University from 6:00 pm to 8:00 pm. This is an opportunity for Dallas 100™ CEOs, Presidents, and Sponsors to meet one another and network. Mr. Michael Cox, Director, O'Neil Center for Global Markets and Freedom at SMU, will be our featured speaker for the evening and will talk about how companies can be more competitive in a rapidly changing global economy. A light buffet will be served.

On **Thursday, November 4, 2009**, a formal reception, awards ceremony and dinner will be held at the Morton Meyerson Symphony Center. All 100 companies will be recognized in ranked order. The top ten companies will receive special recognition and the number one fastest growing company will be announced to the public for the first time. The reception will begin at 6:00 pm, the awards ceremony at 7:00 pm and dinner will be served at 8:00 pm. Mr. Sam Wyly, Entrepreneur & Author, Founder of Green Mountain Energy, will be our featured speaker.

Please mark your calendar for both of these special events. Formal invitations to the CEO reception will be sent shortly to give you more specific information. In the meantime, if you have any questions regarding this prestigious award, feel free to contact Janet Flynn at 214-768-3689.
